THIENEL DENTAL TOOTHBRUSHES, ACCESSORIES AND SETS

Our THIENEL product line is fun to every age group. Whether Baby (0-3), Junior (3-7), Youngster (7+) or adult- THIENEL offers suitable products for all age groups with regard to ergonomics, bristle texture and resilience. The development of our prophylaxis articles is based on the experience of paediatric dentists and prophylaxis assistants, on group prophylaxis in kindergartens and schools. Also, an attractive and suitable design is a MUST for children and teenagers!

THIENEL Dental e.K. - Innovations for more than 50 years

We stand for quality, service, flexibility and reliability with products for both professional and personal dental care. Customers benefit from excellent quality and reliability because of many years of experience in the production of articles for dentistry and prophylaxis requirements. Our products are continually developed and adapted to

individual customer requirements. We are flexible and have short ordering times and so we are able to provide our customers with optimal products in a timely way. We feel committed to the quality of our products. This is reflected by the fact that THIENEL Dental has been certified according to ISO 9001 since 2003.
